

ABOUT DONGHAI AIRLINES

- ▶ Donghai Airlines is a full-service carrier headquartered in Shenzhen, Guangdong, China, with its base at Shenzhen Bao'an International Airport.
- ▶ A subsidiary of the East Pacific Group, the airline was established in 2002, providing cargo and corporate jet services.
- ▶ In December 2013, the carrier received approval to provide scheduled passenger services and in March 2014 commenced domestic services from its hub in Shenzhen Bao'an International Airport to the cities of Nigbo and Dalian. Donghai plans to roll-out further domestic services as well as introduce international services to regional centres such as Hong Kong and Ho Chi Minh.
- ▶ The carrier operates a fleet of Bombardier Challenger business jets for corporate services and Boeing 737-800 equipment for its regular passenger services with an average age of less than 2.5 years. Donghai Airlines has won safety rewards from CAAC (Civil Aviation Administration of China) for eight years.

DARWIN TO SHENZHEN SERVICE

- ▶ On 30 May 2018 Darwin will welcome a new direct airline service by Donghai Airlines.
- ▶ The distance from Darwin to Shenzhen is 4246kms, with a flight duration of 5h 28min.
- ▶ The airline will operate two direct flights per week between Shenzhen and Darwin with a Boeing 737-800 aircraft.
- ▶ The service will offer both business and economy class seats.
- ▶ New air link will create over 35,000 airline seats, with a forecasted \$32 million increase in visitor expenditure
- ▶ Funding boost for SMART tourism marketing will ensure the NT is promoted as a leisure and business events destination in China to attract more Chinese visitors.
- ▶ Shenzhen is within close proximity to Hong Kong, approx. one hour by bus, train or ferry.
- ▶ For all Darwin route enquiries call 1800 905 614.
